FROM THE SALES TEAM AT NORTHWOOD MANUFACTURING

NEW FEATURES & OPTIONS

The new 29-5E plan features Flush Floor Bedroom / Bathroom, Corner Stairway, 5.1 Surround Sound/DVD/CD/AM/FM Tuner, 27" Flat Panel LCD TV & Fireplace!

The new entertainment center in the Arctic Fox 29-5E, includes optional fireplace with forced air electric heat, DVD/CD/AM/FM tuner, 5.1 ceiling mounted directional surround sound system, and a 27 inch flat panel TV on 180 degree swing arm.

The bedroom/bathroom suite features a flush floor and new space saving corner stair access. The corner stair creates a visually pleasant variation from the more traditional center stairway access. Your customers will love this new plan.
